

# The Dream Academy

*Leadership training that transforms shame and trauma  
into power and determination*

The Dream Academy is our community-led, 10-week intensive virtual course focusing on leadership development, socio-emotional learning, and job skills training that paves the way for healing, growth, and leadership that will lead to sustainable social change.

## Why The Dream Academy?

At the heart of SafePlace International lies the belief in the boundless potential of every individual. The Dream Academy is more than just a program; it's a movement. A movement to empower, to inspire, and to create leaders who will shape the future. Whether you're looking to support this vision or be a part of it, the Dream Academy welcomes you.
